

Who is Child of the King?

Child of the King, Inc is a non-profit organization that is dedicated to empowering the body of Christ to care for orphans by breaking down financial barriers and promoting the true meaning of adoption for people throughout our community and our nation.

Tyler and Michelle Hilman and Jed and Melodie Aho started this fund after experiencing first hand the expenses of adoption. Both completed adoptions last year and have a heart to help those who are trying to adopt but having financial difficulty. Adoption is such a beautiful picture of how we as believers are adopted to be coheirs with Christ and to experience it first hand with your own adoption is such a faith growing experience.

A passion for
adoption & orphans

"But you, O God, do see trouble and grief; you consider it to take it in hand. The victim commits himself to you; you are the helper of the fatherless."
